HOUSE

Renew the whole person.
Restore a life.

Thursday, November 2, 2017 | 12:00 PM - 1:00 PM

OMNI NASHVILLE HOTEL

Autumn is a time to give thanks. But, it's also a time to plant. Trees and bulbs get planted in the fall for good reason. They need time to adapt to the change in season and environment. And, your special care in nurturing their growth during that period makes all the difference in their blossoming at maximum potential in the spring. The same is true of the women and their children going through addiction treatment at Renewal House. To restore their lives and reach their fullest potential, our families need a level of consistent, specialized care and nurturing support not typically found in conventional treatment programs. The gifts and support that you provide this fall will lay a foundation that comes to great fruition over time in the lives of our mothers and their children. **Help us plant now for their brighter future.**
