LUNCHEON

OMNI NASHVILLE HOTEL, 250 REP JOHN LEWIS WAY S, NASHVILLE, TN

Renewal House is the only long-term residential addiction treatment program in Middle Tennessee where women and their children are treated together.

BECOME A SPONSOR TODAY!
In 1996, Renewal House, Middle Tennessee’s only provider of long-term, specialized treatment for mothers and their children, was formed. Community leaders came together with a shared belief that women should not have to give up custody of their children to enter substance use disorder treatment.

At Renewal House, women learn to manage their substance use disorders while keeping their most precious role as loving mothers. Allowing a family to have a private apartment in a supportive environment during treatment is life-changing. Our highly skilled staff helps mothers navigate a myriad of issues that could affect their recovery. Taking a holistic approach and coordinating care with fellow community providers, we attend to each woman’s unique social, emotional, educational and vocational needs. Through early intervention services for the children, we help break the family cycle of substance use disorders.

A success at Renewal House is a success for our client, her family and the community. Children stay with their birth families and out of the foster care system. Families access regular medical care instead of relying on emergency room services. Fewer women are incarcerated for nonviolent offenses and more women enter the workforce, allowing your tax dollars to be utilized in other beneficial ways. Supporting Renewal House is a solid investment.

Some of Nashville’s most generous corporate citizens and community leaders will soon gather at Thanksgiving for the 24th year, raising funds to underwrite the cost of Renewal House’s specialized treatment services.

PLEASE BECOME A SPONSOR TODAY and celebrate Thanksgiving with us on November 7, 2023.
